SUMMER OF 22

- As we embrace the warmth of the summer sun on our faces and the freedom to play, it's time to explore the hidden joys of knitwear again!
- We kick start our summer with brighter and bolder colours, yarns that are rich and tactile, beautifully handknitted in both vibrant and subtle shades that can be styled as easily for relaxed weekends as for social evenings with friends.
- Versatile knits, with a vintage feel - because life really is too fragile to be boring.

Rich & tactile yarns,
choose from either
natural cotton or
an exquisite silk
and wool mix.
